Response:

The Prevention and Protect team (Fire Safety Team) have search their records and have confirmed that we do not hold any Fire Risk Assessment (FRA).

Please note that we aren't required to keep a copy of the Fire Risk Assessment (FRA) only to have a look at it and give comments.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
