Date of response: 1 June 2023

Request:

Regarding a fire at 134 Carmelite Road, Harrow, Middlesex, HA3 5NF in 2021, please may I have all information on file following the fire and the audit on the property after the fire.

Response:

Our Fire Safety Regulatory team have confirmed that they have no record of any audits being carried out at 134 Carmelite Road.

We have record of a fire incident at this address on 15 April 2021. Please see attached a confirmation of attendance.

Fire reports are not available under the Freedom of Information act (FOIA) as they are considered a chargeable service and, as such, will incur a fee. As a result they are exempt via [Section 21](#) of the FOIA - Information accessible to applicant by other means. Regrettably this means we cannot provide you with a copy of the fire report (or the information held within it) without payment.

I must also advise that you may not be eligible to receive a copy. However, if any eligible party (such as the owner/a tenant/local borough council/insurance firm or loss adjustor) requests the primary fire report document, and is willing to share it with you, then we would be able to provide consent for them to do this.

Further information about how to obtain a LFB incident report is published on our website and can be accessed through the following link: <https://www.london-fire.gov.uk/about-us/services-and-facilities/services-we-offer/incident-reports/>

I trust you understand our position. Should you have any further questions please do let me know.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#)
