Publication status: Published in full

### Summary

The London Fire Commissioner (LFC) on 24 September 2018 (LFC-0055-D) appointed the membership of the Local Pension Board (LPB) for three years, which was subsequently amended on 25 September 2019 (LFC-0240-D) in accordance with the Board's terms of reference. This was further amended on 5 February 2020 to appoint Frazer Ferguson as the Fire Officers Association (FOA) representative. We have been informed by the Fire Brigades Union (FBU) that they wish to nominate Jason Hunter as a substitute FBU representative, for which there is currently a vacancy.

In accordance with the LPB's terms of reference, the LFC has the power to replace Board members and substitute members between appointments.

### Decision

The London Fire Commissioner appoints Jason Hunter as a substitute Fire Brigades Union representative on the Local Pension Board with immediate effect.
