

Freedom of Information request reference number: FOIA4241.1

Date of response: 11 March 2019

Request and Response:

Grenfell Tower Incident - Would you be able to provide details (Home call sign/station and station at which they were standing by) for the standby moves required when the incident went to 40 pumps.

Thank you for your request, dated 11 February 2019 regarding the Grenfell Tower Fire.

In response, you may not be aware that the Grenfell Tower Inquiry (GTI) have, and are, making a significant amount of evidential information available to the public. You can view that information here: (<https://www.grenfelltowerinquiry.org.uk/evidence>). At this stage I believe the information you require is most likely to be contained within the Incident report, available here: <https://assets.grenfelltowerinquiry.org.uk/documents/Long%20Incident%20Report%20to%2008%2004%20on%2014%2006-17%20LFB00004496.pdf>.

Upon review, should you have further questions do let me know.
