Freedom of Information request reference number: FOIA4266.1

Date of response: 18 March 2019

Request and Response:

DPL203-275

I've now been told there's been changes to the allocation order of this batch of appliances currently being delivered.

Therefore is it possible to request an up to date copy of the allocation list for DPL203-275, which also includes the planned subsequent appliance moves and disposals?

I'm also aware that a 3rd batch of 62 pumping appliances has been ordered, and these are due for delivery from August 2019 onwards.

Therefore, can I also request a copy of the allocation list for DPL276-337 which also lists the subsequent appliance moves and disposals, if this information is currently available?.

Please find attached* details of the series three roll out for DPL203 – DPL274, DPL275 will be delivered in the third batch. As always, please note that this is a fluid situation and that allocations may change but this is the current intention as of today.

With regards to the third batch, our Fleet team have advised that these have not been allocated yet but will be going to the remainder of the frontline, training and reserve fleets.
