

Freedom of Information request reference number: FOIA 6350.1

Date of response: 07.03.2022

Request:

How many occasions did all 4 of Paddington's appliances (known as a full house) get called out at the same time to the same incident for the years 2020 and 2021. Please provide date/time, incident type (fire, special service, false alarm), incident sub-type (high-rise fire, rescue from height for example), road name or station ground (such as Soho, Euston, Chelsea, Tottenham) and duration crews were at incident in minutes. Please provide information in a Microsoft excel document.

Response:

Please see the attached spreadsheet, **2020 - 2021 All Appliances Attendance of Paddington**, which contains the data where all 4 of Paddington's appliances were called at the same time, to the same incidents, between 2020 and 2021.

Please note, that each single incident will have four rows associated with it, and this will be clear if you refer to column 'A', 'Incident Number'.

I've attached a spreadsheet for all 4 of Paddington's appliances at the same time to the same incident for the years 2020 and 2021.

Please note 4 rows are referring to one incident on the data.

I hope you find the information we have been able to provide of use. If you have any further questions, please contact: InformationAccess@london-fire.gov.uk

We have dealt with your request under the Freedom of Information Act (FOIA) 2000. For more information about this process, please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>

Column1	Time of Call	Incident Group	Incident Types	Property Types	Station Ground	Resource Call Sign	Time spent in minutes
