

Freedom of Information request reference number: 6284.1

Date of response: 19 January 2022

Request:

Can you tell me how many incidents you attended in the calendar years 2020 and 2021 where the cause of the fire was an electronic scooter (e-scooter).

Response:

Our Data team have provided the figures in the table below. This shows the number of fires attended where the cause was believed to be an electronic scooter (e-scooter):

Source (of fire)	Year	
	2020	2021
e-scooter	14	28
Grand Total	14	28

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
