

**Freedom of Information request reference number:** 6191.1

**Date of response:** 22 December 2021

**Request:**

*I would like to know the cost to the tax payer on the renovations on the London Fire Brigade Station carried out between 2019 to date and what work was carried out, including the costs for the scaffolding and any other external costs on the work done.*

**Response:**

Our Property team and Finance team have provided the following information:

Spend in 2019/20 = £4.307m

Spend in 2020/21 = £5.394m

*Note - small projects and routine maintenance are not included in the figures*

These costs include work carried out on the following:

- Accommodation refurbishments
- Air source heat pump installations
- LED lighting upgrades
- Photovoltaic cell array installation
- Electric vehicle charging installations
- Re roofing projects
- Electrical rewires
- Passenger lift replacement projects
- Internal and external redecoration projects
- Heating system replacements
- Window replacements
- Appliance bay door replacements
- Appliance bay flooring projects

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>
