

Freedom of Information request reference number: 5939.1

Date of response: 03 September 2021

Request:

- What criteria determines if a fire station has a station officer or a sub officer.

-Also in the below examples could you tell me how many station officers, sub officers and leading firefighters there should be on each watch at a

1 pump station=

2 pump station=

- how many extra fire crew per watch and what ranks would they be if a fire station also had;

(a) a aerial platform ladder

(b) a fire rescue unit

(C) a command support unit

Eg (a) there would be an extra 3 staff give in the ranks of 1x leading fire fighter and 2 fire fighters

(b) there would be an extra 6 staff give in the ranks of 1x leading fire fighter and 5 fire fighters

(C) there would be an extra 4 staff give in the ranks of 1 sub officer 2x leading fire fighter and 1 fire fighters

Response:
