

Freedom of Information request reference number: 6464.1

Date of response: 12th April 2022

Request:

Please can you provide details of the amount of front line operational officers who have contracted or passed away with fire related cancers and in particular brain cancers or tumours in the last 20 years This cause of death or illness can be retrieved from LFB pensions records I believe Thank you

Response:

The Brigade can run reports for the number of individuals recorded as having Cancer in the last 20 years; however, it does not hold information regarding causation of Cancer. In addition to this, it does not store any data relating to reasons for death.

Based on the above, the answers to your request are not information that the Brigade currently holds.
