**Freedom of Information request reference number:** 6644.1

**Date of response:** 22/07/2022

**Request:**

*George Green Tunnel. Would it be possible to know if there have been any reported fires and RTCs attended in the tunnel from your mobilising system within the last 10 years if available? Address: A12, Wanstead, Greater London, United Kingdom*

**Response:**

In response, our Data team have provided the list below of fires and special service (RTC) incidents found 200m George Green Tunnel within the last 10 years.

Please note that tunnels incidents are usually associated with more than one postcode or address. Therefore, the search is not always 100% accurate and we may have missed some other incidents that have been recorded differently.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
