

Freedom of Information request reference number: 6679.1

Date of response: 29/07/2022

Request:

Please could I obtain the following information for Barking and Ilford fire stations:

1. *The estimated response times to Prioress House, Loxford Road, Barking, IG11 8SD.*
2. *The resources used, e.g. number of appliances, types of appliances.*

Response:

Due to dynamic mobilising, it is not possible to state if Prioress House would be attended specifically by either Barking Fire Station or Ilford Fire Station. The average attendance time across the last five years for the Northbury Ward (where Prioress House is situated) is 6 minutes and 8 seconds.

With regard to the number and type of appliance in attendance, this depends on the type of call received,
