

**Freedom of Information request reference number:** 6864.1

**Date of response:** 5 October 2022

**Request:**

*24 Shepherds Hill  
London  
N6 5AH*

*We have recently receive a fire risk assessment which states:*

*"Note that the refuse bins are kept under the access to the rear garage parking and garage forecourts. Such bins can be the target for arson and if there are any such incidences locally then they should be relocated. The Fire Brigade will be able to advise on this aspect".*

*Please may I ask you to confirm if there have been any reports of arson to refuse bins in the area?*

**Response:**

A search of the postcode N6 5AH and surrounding 1000 meter area was carried out for the date period 01.09.2021 to 11.09.2022.

Below is the incidents identified that relate to refuse fires. Of the 7 listed incidents 1 was recorded as deliberate and 2 were investigated by the police.
