

Freedom of Information request reference number: 6962.1

Date of response: 27/10/2022

Request:

Please may you provide me with:

- 1. The number of enforcement notices issued by the LFB to owners of residential buildings converted into offices in 2022 (up until end of October 2022).*
- 2. Also, the number of enforcement notices issued by the LFB to owners of residential buildings converted into offices in 2021.*
- 3. If possible, I would also like to request copies of all the enforcement notices issued so far in 2022 to owners of office-to-residential conversions. If the number is too great, I would like to request all those issued in the past 6 months, so between May 2022 and October 2022.*

Response:

Details of Enforcement Notices issued by the LFB are now available online:

<https://data.london.gov.uk/dataset/regulatory-fire-safety-inspections>

To locate regulatory fire safety inspections and audits on the London Datastore, you can narrow down the search by property category, for example, 'office'.

You can then look up the relevant Enforcement Notice correspondence on our public notice page:

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website:
