

**Freedom of Information request reference number:** 6965.1

**Date of response:** 02/11/2022

**Request:**

*Can you please supply details of the expected delays in response times you are expecting around road closures and resources tied up with the Coronation next year, with details of the closures you are expecting that will cause the worst delays to emergency response.*

**Response:**

The LFB are part of the multi-agency planning team for major events to ensure operational cover is maintained and disruption is minimised.

Details regarding the Coronation, scheduled for 6 May 2023 at Westminster Abbey, are yet to be developed and finalised so we are not currently in a position to analyse potential disruption but the LFB is fully involved in the planning.
