Date of response: 19/12/2022

Request:

Please could I find out how many fires and the causes on Christmas day for the past 3 years?

Response:

In response, as we routinely get asked for information about the number of Christmas incidents attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it.

The information is accessible via the following link:

I hope you find this information of use. Should you have any further questions please do let me know.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
