Freedom of Information request reference number: 7130.2

Date of response: 16 February 2023

Request:

I am writing to enquire if it would be possible to request the station mobilisation figures for the Brigade for the year 2022.

I know a lot of this data is placed on the [London Datastore](#), however, the information I am looking for does not appear to be listed in the format I am trying to obtain.

I have attached a PDF showing exactly the information I am trying to obtain - and in what format:

Station	Number of Mobilisations
Soho	4773
Paddington	3728
Lambeth	3170
North Kensington	3124
Tottenham	2859
Brixton	2731
Hammersmith	2715
West Hamstead	2708

Also, can you confirm when the LFB fleet list will be updated on the London Datastore website please.

Response:

Our Data team have provided the attached table showing the number of mobilisations for each station from 01 January 2022 to 31 December 2022.

To recreate this dataset you can create a pivot table with the mobilisations data for the last three years from the [London Datastore](#).

Once the Pivot Table is created, select the field 'DeployedFromStation_Name' for rows and 'IncidentNumber' for values. Ensure the values are a count of 'Incident Number' and filter out any years you do not need.

The most recent fleet list has also been uploaded to the London Datastore and can be accessed via the following link:

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
