

Freedom of Information request reference number: 7235.1

Date of response: 07/03/2023

Request:

FOI Request Fire Trainings.

I am wondering if you could supply the following information.

1. Are all Fire Rescue Unit members trained in Water Rescue and Working at Heights.
my 2nd question is what different trainings are available for firefighters for all the different Fire units.

Response:

Q1. All Firefighting personnel are qualified at level 1 water rescue. Some FRU personnel are qualified at Water rescue level 2 and 3 (Flood response)

Some FRU personnel are qualified in Safe working at height (Line Operations level 2).

Q2. Below are most of the different appliance and skills required for them – personnel will be qualified in all skills it would very much depend on the station they are attached to.

1. Mandatory Station Based Staff Training – Firefighter to Station Officer

Course Code Name

OIBAE3 Extended Duration Breathing Apparatus FRU - 3 Day
