Date of response: 04/04/2023

Request:

Thanks for reaching out, yes, I will be the contact for Work Hounslow currently working as the Employer Engagement Coordinator. The Outreach team lead by Makeda Kemp recently attended our Apprenticeship Marketplace Recruitment Fair during National apprenticeship week 23, it would be helpful if you can provide me with figures if any of the residents attending the event made applications and secondly, if after attending subsequent interviews were offered an apprenticeship with the London Fire Brigade?

Response:

Further to your request, LFB are unable to provide the data at this time. This is due to the timeline for the process. From the point of interest to the application can take 3-6 months, therefore anyone who attended the apprenticeship fair will not have been pipelined through yet.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website:
