

Freedom of Information request reference number: 7430.1

Date of response: 24 April 2023

Request:

Query: 10 Jamestown Road, NW1 7BY – False Alarm Incidents

Do you have a log of how many times the LFB have attended the property?

Are there any notes against any of the call outs that you could share?

I believe that the refurbishment started around 2 months ago, so we would be looking at calls outs to the property during this time frame.

Response:

The table below shows the number of Automatic Fire Alarm (AFA) incidents attended at 10 Jamestown Road, NW1 in 2023:

Type	Address	Incident ID	Time of call	Description

The LFB record very little information in relation to False Alarm incidents however, we do publish some further details of every incident responded to since January 2009 online. Information is provided for when and where the incident happened, and the type of incident dealt with, and can be accessed through the London Datastore: <https://data.london.gov.uk/dataset/london-fire-brigade-incident-records>.

The most recent information (for incidents that have occurred in last three years), can be downloaded via the Excel spreadsheet '[LFB Incident data - last three years](#)'. You can use the '*Incident ID*' provided in the table above to search for further details recorded about these specific AFA incidents at 10 Jamestown Road.

For your further information, the table below shows the total number of Automatic Fire Alarm (AFA) incidents attended at 10 Jamestown Road, NW1 in the last three years (which you may also find useful):
