**Freedom of Information request reference number:** 6882.1

**Date of response:** 25 April 2023

**Request:**

*Forms Carried on Pumping Appliances. Please could you provide a list and copies of the forms carried on frontline appliances, for example, the form that the OIC would fill out after an incident and the Casualty Report Forms?*

**Response:**

Our Fleet team have provided a list of the forms carried on frontline appliances below:

- Clutter Image Rating (CIR) scale*
- Form 12 Message Pad (F5683) & Pencil*
- Form 18 Vehicle Accident*
- Form 2416 Indemnity & Undertaking (pad) (F4460)*
- Form 6176 Operational Equipment Incident Handover Sheet*
- Form 6178 Control Information (FSG) (pad)*
- Form 6182 Key Decision Log*
- Form 9 Fire/Special Service Call (F4159)*
- Form RRF1 Deliberate or Fatal Reporting (F5283)*

I have attached a copy of the 'Clutter Image Rating (CIR) scale' forms to this request. It is my understanding that these forms are widely circulated to members of the public as part of the LFB's Protection work.

The other forms on the list are not disclosable under the under the FOIA via [Section 31 – Law Enforcement](#). We do not typically provide copies of LFB forms under the FOI act as, if they are made public, there could be a risk of them being used in some element of criminal activity. Therefore, this information is exempt from disclosure under the FOI act under [section 31\(1\)\(a\) - Law enforcement](#). Section 31 is a qualified exemption and I must consider the public interests for and against disclosure. By disclosing this information there is a risk that it could make the LFB more vulnerable to crime. For example, it may be possible to print and use the LFB branded forms, ore recreate unbranded forms, to impersonate a Firefighter which could, in turn, put other people at risk. I am therefore of the view that it is in the public interest not to disclose this particular section of the manual you have requested.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
