Freedom of Information request reference number: FOIA 9222.1

Date of response: 1st November 2024,

Request:

**I would like to request for confirmation of attendance for all lift-related incidents from 2022 to the present day at the following address:
Mogul Building, 4 Prospect Row, London E15 1FY.**

Response:

. In response, this information is exempt from disclosure to you under [section 21 of the FOIA, Information accessible to applicant by other means](#).

As we routinely get asked for information about the number of lift entrapments attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it.

The data is provided for three calendar years (36 months) and is updated monthly. If you are looking for a particular building/address and this does not appear in the list, you can assume that the Brigade has not attended a 'shut in lift' release at the address.

The information is accessible via the following link:

I hope you find this information of use. Should you have any further questions please do let me know.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
