

Freedom of Information request reference number: 7587.1

Date of response: 5th July 2023

Request:

Ingrebourne Hill and Hornchurch Country Park data Please can you provide the top 15 days of the week and hourly time frames (1800-1900, 1900-2000, etc) for calls to fires that London Fire Brigade has been called to at Ingrebourne Hill, Rainham and to Hornchurch County Park and Ingrebourne Valley, in Rainham and Hornchurch for both sites together over the past 5 years (01/04/2018 - 01/04/2023)

Can you also tell me the top 10 months and years for calls to fires for both sites together over the same timeframe (01/04/2018 - 01/04/2023)

Both of these sites neighbour each other in Havering. They can also be known by surrounding roads, particularly Avelon Road, Airfield way, Rainham road, Dowding way, Squadrons Approach, Suttons lane and Southend Road as well as Albyns Farm and former RAF Hornchurch.

Response:

Our Data team have extracted the information and have provided us with two tables. The first table breaks down the Year/Months/Days and Hours for calls to fires in those selected area. The second table shows the data for fires attended within a 1000m radius of the coordinates for these parks. Please see below.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#)
