

Freedom of Information request reference number: 8834.1

Date of response: 01 July 2024

Request:

Please provide a list of all call-outs over a period of the last 3 year that resulted in the fire brigade attended a suspected incident at Eddystone Tower, London SE8 3QT.

For each call out, please provide:

** the date and time*

** number of appliances and firefighters dispatched*

** reason for call out e.g. automatic activation of a fire alarm or a call by a resident or other person*

** whether a fire or other incident requiring fire brigade attendance was discovered*

Response:

I have attached a list of incidents attended at EDDYSTONE TOWER, OXESTALLS ROAD, SE8 in the three years (30 June 2021 to 30 June 2024).

The further information you have requested about each incident is published online via the [London Datastore](#).

The LFB publish the details of every incident responded to since January 2009 online. Information is provided for when and where the incident happened, the type of incident dealt with, number of calls received and notional cost of the incident. This information can be accessed through the London Datastore using the following link:

<https://data.london.gov.uk/dataset/london-fire-brigade-incident-records>.

The most recent information (for incidents that have occurred in last three years), can be downloaded via the Excel spreadsheet '[LFB Incident Data from 2018](#)'. You can use the incident numbers provided in the attached table to look up the further information you have requested in the following columns of the Excel spreadsheet:

** the date and time*

Columns 'B' and 'D' Excel spreadsheet '[LFB Incident Data from 2018](#)'.

** number of appliances and firefighters dispatched*

The number of pumps attending are in columns 'AI' to 'AJ' of Excel spreadsheet '[LFB Incident Data from 2018](#)'.

The normal crewing levels for each pump appliance is as follows:

Type of appliance	Normal riders
Pump Ladder	5
Pump	4

** reason for call out e.g. automatic activation of a fire alarm or a call by a resident or other person*

The reason for the call out can be found in columns 'F' to 'H' of Excel spreadsheet '[LFB Incident Data from 2018](#)'.

** whether a fire or other incident requiring fire brigade attendance was discovered*

The type of incident can be found in column 'F' of Excel spreadsheet '[LFB Incident Data from 2018](#)'.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).

Incidents attended at EDDYSTONE TOWER, OXESTALLS ROAD, SE8 between 30 June 2021 and 30 June 2024
