

Freedom of Information request reference number: 9116.1

Date of response: 24 October 2024

Request:

I hope you are doing well. Under the Freedom of Information Act 2000, I would like to request the following information regarding your organisation's mobile coverage, cabling services, and infrastructure management:

1. **Indoor and Outdoor 4G/5G Mobile Coverage Enhancement:**
 - *Has your organisation undertaken any enhancements for indoor and outdoor 4G/5G mobile coverage?*
 - *If so, when does the service or maintenance contract for this start and end?*
 - *Do you have a retained contractor for this work?*
2. **Cabling as a Service / Network as a Service Contracts:**
 - *Please provide the start and end dates for any structured cabling contracts your organisation has in place.*
 - *Who are the incumbent suppliers for these services?*
 - *Who in your organisation manages these contracts?*
3. **Preferred Suppliers List:**
 - *Do you maintain a preferred supplier list for data cabling-related installation and maintenance work? This could also include the installation and maintenance of the server/ communications room.*
 - *If so, who is responsible for this list, and could you provide their contact details?*
4. **Upcoming Cabling Projects:**
 - *Does your organisation have large projects coming up that require significant cabling installations?*
5. **Building Infrastructure Maintenance:**
 - *Who is responsible for the maintenance of your organisation's building infrastructure? Please provide their contact details.*
6. **Organisation Chart:**

Please provide an up-to-date organisational chart for your IT department

Response:

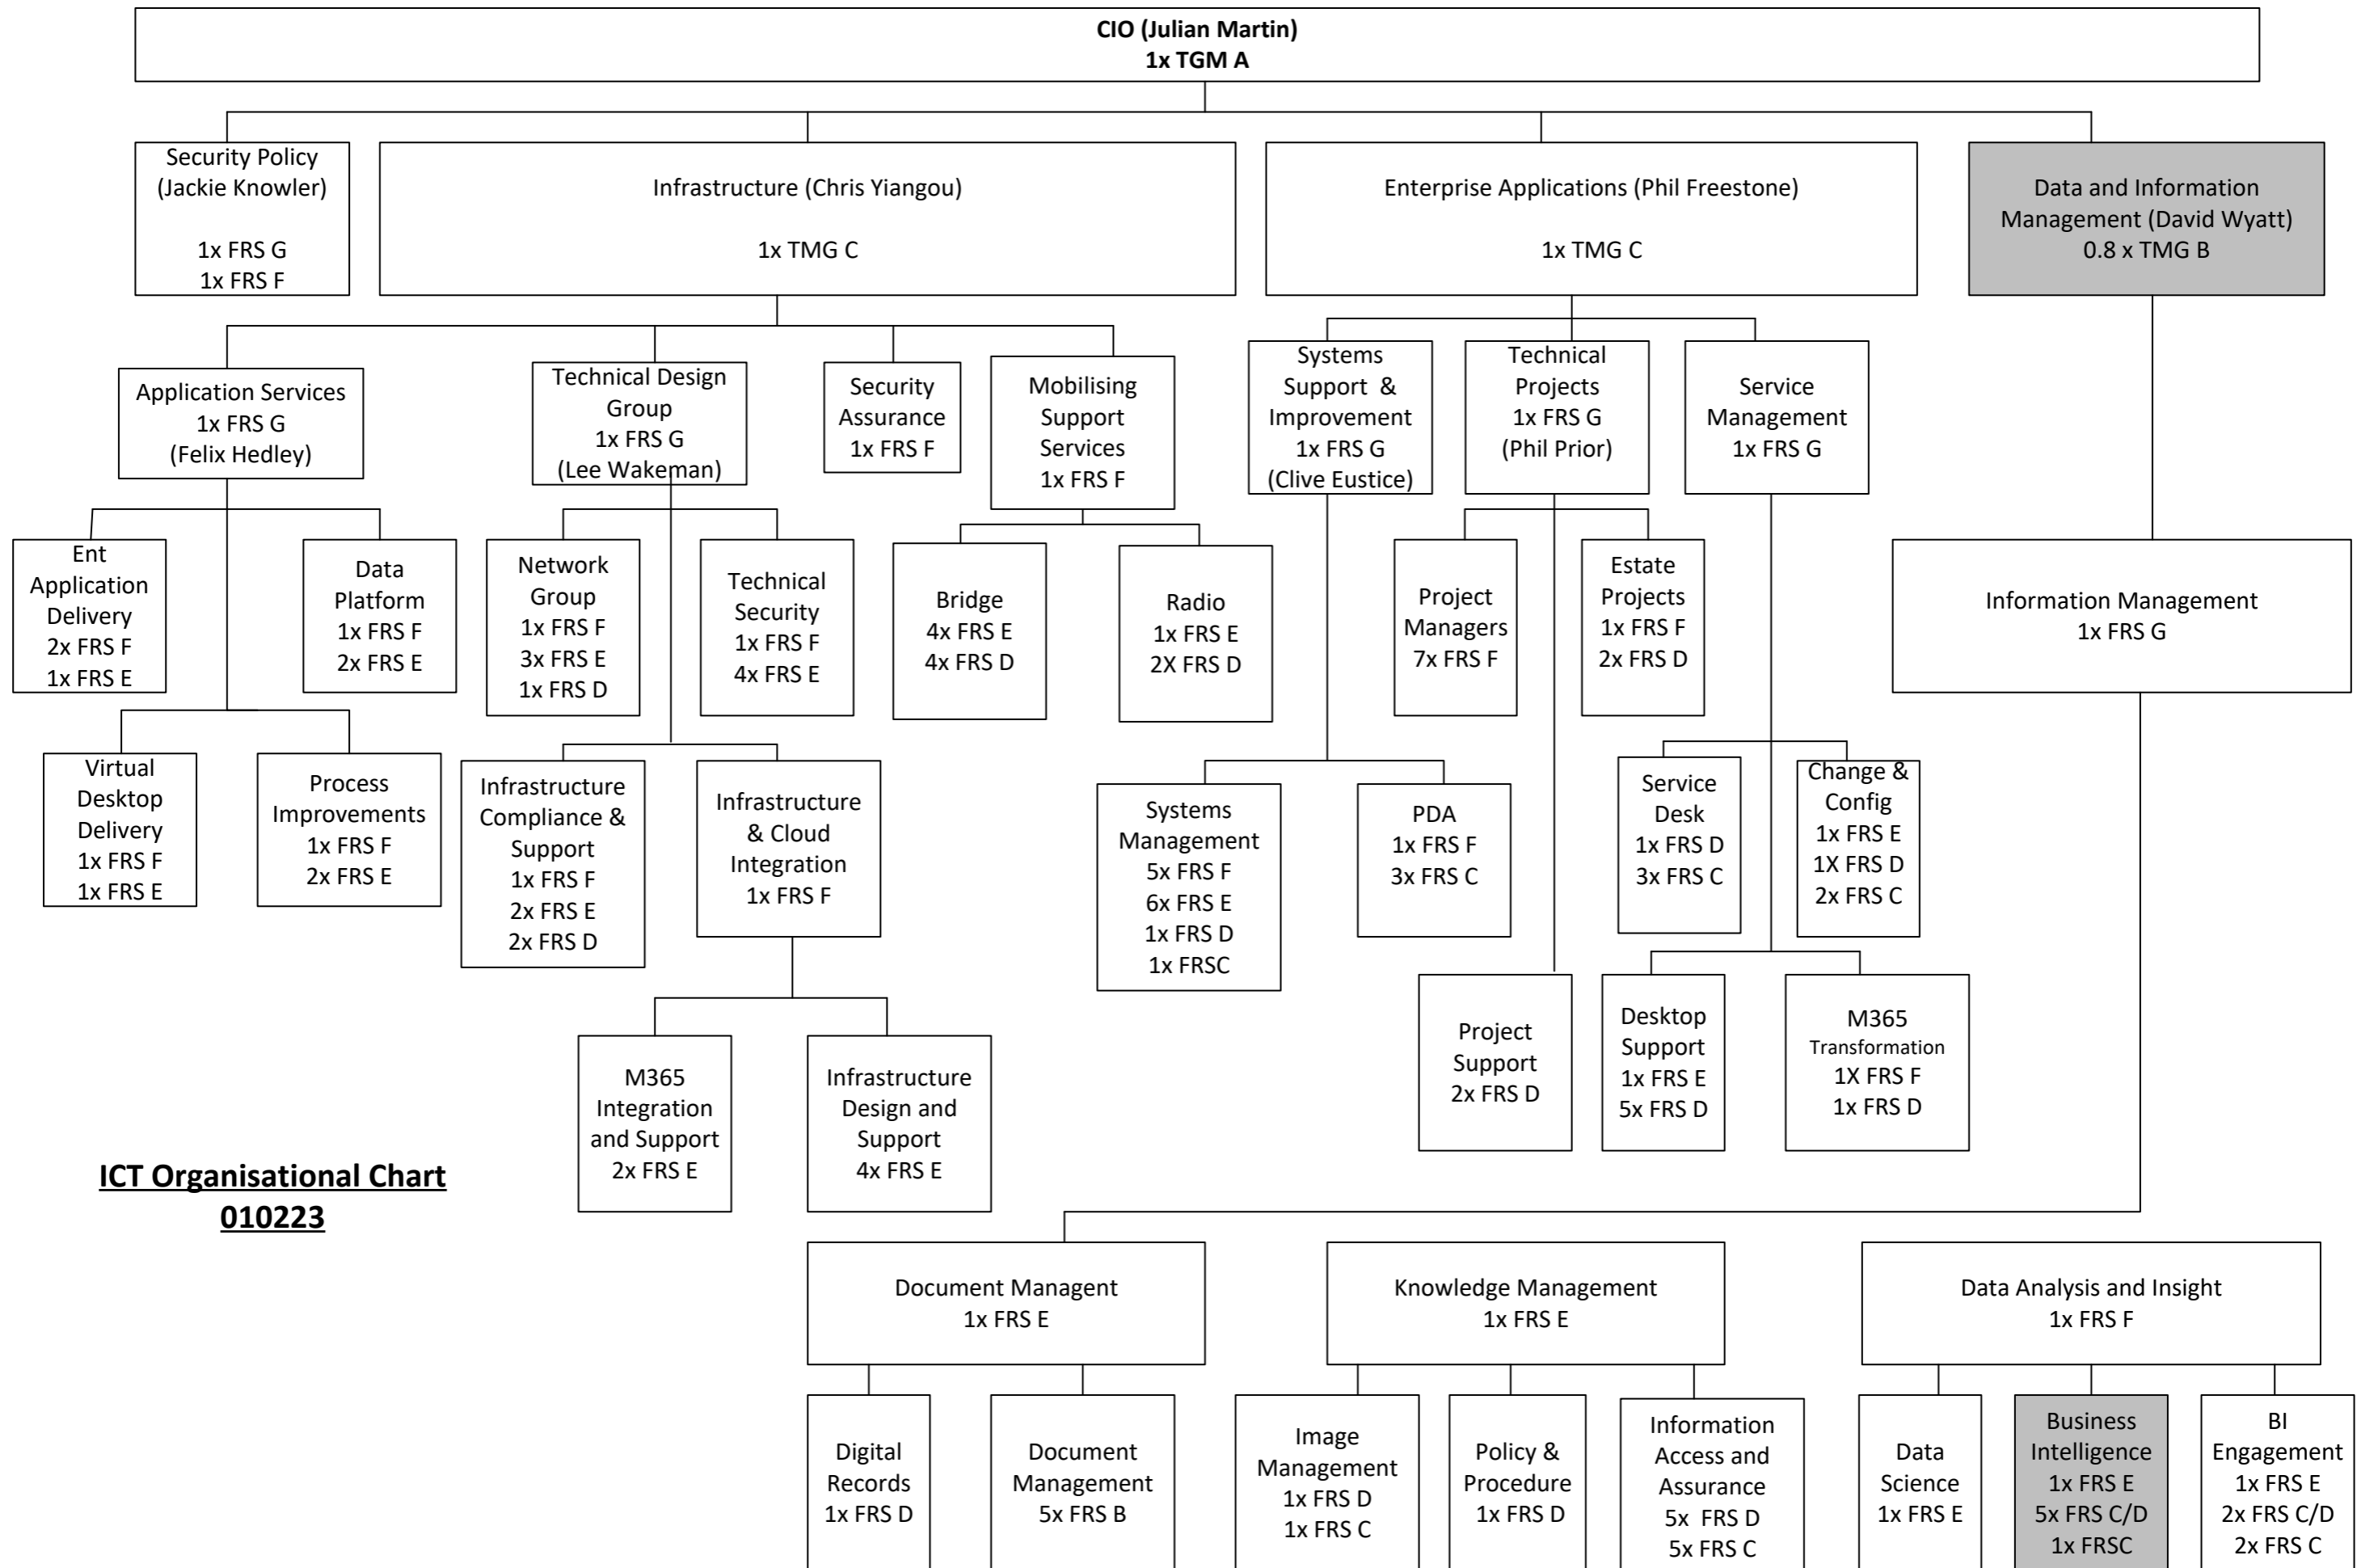

Please see the answers to each question in turn below:

1. **Indoor and Outdoor 4G/5G Mobile Coverage Enhancement:**
