

**Freedom of Information request reference number:** 8626.1

**Date of response:** 02/05/2024

**Request:**

*Please can you provide:*

*1. Your entire incident database (s) in reusable electronic format. This is for all recorded time. Please don't delete information, except names.*

*If the format is not obvious, please can you detail what it is. E.g. CSV, JSON, html, fixed record.*

*2. A list of all recorded injuries (detail) and deaths and location, preferably linkable to 1. above, in reusable electronic format. Please don't delete information, except names.*

*Same comment with respect to format above.*

**Response:**

We are unable to provide a full copy of all the information we hold about every incident we attend as this information includes personal identifiable information and information we provide for a charge (see further information about this below).

You may be interested in the following information that is already available via the links provided below...

**LFB incident records** - on London datastore, this is updated monthly and dates back to 2009 - <https://data.london.gov.uk/dataset/london-fire-brigade-incident-records>.

**Fire facts – Fatal fires** - on London datastore, this is updated annually and also provides the excel spreadsheet with the data - <https://data.london.gov.uk/dataset/fire-facts--fire-deaths-in-greater-london>.

**Fire facts – Fires in Greater London** on London datastore, this is also uploaded annually, including injuries and fatalities - <https://data.london.gov.uk/dataset/lfb-fires-in-london-1966-2019---fire-facts>.

**LFB Mobilisation records** - on London datastore, this contains the details of every fire engine (pumping appliance) sent to an incident since January 2009. Information is provided for the appliance mobilised, where it was deployed from and the times recorded for arriving at the incident - <https://data.london.gov.uk/dataset/london-fire-brigade-mobilisation-records>.

You may also be interested in the following information which is published on the Government website... <https://www.gov.uk/government/statistics/fire-statistics-incident-level-datasets>.

We are unable to make all of the records available as the full details of the incidents we attend are only provided to those that can demonstrate a legitimate interest in the property where the fire occurred (ownership, residency or insurable interest would be examples of a legitimate interest) and we charge for the provision of this information. If you wish to apply for specific incident record, please email

[IncidentReports@london-fire.gov.uk](mailto:IncidentReports@london-fire.gov.uk) or send a letter to London Fire Brigade, Incident reports team, 169 Union Street, London SE1 0LL.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us>
