You have requested data showing the number of incidents attended by LFB over the last three years. This information is available online at the [London Datastore](https://data.london.gov.uk/dataset/london-fire-brigade-incident-records). You can access this information here: <https://data.london.gov.uk/dataset/london-fire-brigade-incident-records>. Please filter to the year in column C; column B will show the exact date. Column M will filter the postcode to help narrow down your search. You will then see a description of the incident recorded at these locations.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>
