

Freedom of Information request reference number: 7558.1

Date of response: 30 June 2023

Request:

Please can you provide any documentation related to the Church of Scientology's two premises, located at 146 Queen Victoria Street, London and 68 Tottenham Court Road, London, dated within the last five years. I am particularly interested to know whether there has been any communication between the London Fire Brigade and the organisation, whether the LFB have made any inspections on either of the properties and if so, their findings, and whether any complaints or concerns have been raised regarding the organisation and their fire safety record and practices. Please provide any documentation of reports, inspections, fire safety concerns and also any evidence of emails, written correspondence or call notes between the LFB and the Church of Scientology, who operate under the entity 'Church of Scientology Religious Education College Incorporated'. Please also provide details of any gifts, donations or hospitality provided to the LFB, members or your employees or representatives, or any charity you may nominate by Scientology organisations, over the past 5 years. By Scientology Organisations, I mean any organisation affiliated with the Church of Scientology such as (but not limited to) the Foundation for a Drug Free World, Youth for Human Rights, Truth About Drugs, United for Human Rights, Narconon, Citizens Commission for Human Rights, The Way to Happiness, Greenfields School, Greenfields School Trust, Crimonon and the Church of Scientology Religious Education College Incorporated. Thank you.

Response:

Our Fire Safety Regulatory team have checked the records we hold for this property and confirm we do not have any record of recent visits to these properties.
