

Freedom of Information request reference number: 7912.1

Date of response: 10 October 2023

Request:

Does London Fire Brigade use PQA's or NFCC Leadership Framework?

Response:

Our Training and Professional Development Team and People Services have provided a response to your request below.

I can confirm that PQAs are not used in LFB appraisal (appraisal conversations).

Our leadership programmes have been created using the NFCC Leadership Framework

I hope you find this information of use.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#)
