Response:

In response, this information is exempt from disclosure to you under [section 21 of the FOIA, Information accessible to applicant by other means](#).

The LFB publish the address details of Fire Stations on our website, the information for fire stations located in the London Borough of Islington can be found here: <https://www.london-fire.gov.uk/community/islington/>. The page includes a 'Get directions' link for each station which allows you to find the distance from the premises listed above to the fire station address.

Information on LFB target response times are also published on the LFB website. The London Fire Brigade [plan for 2023-29](#) includes details of our target response times on page 12 of the '[Measuring our success](#)' document which can be accessed here: <https://www.london-fire.gov.uk/media/6686/crmp-metrics-30-may.pdf>.

We publish the arrival times for the first attending pump (fire engine) at actual incidents via the [London Datastore](#), which can be accessed here: <https://data.london.gov.uk/dataset/london-fire-brigade-incident-records>.

If you download the '[LFB Incident Data from 2018](#)' spreadsheet you can filter to incidents that occurred in the "N7" postcode area using column N, 'Postcode_district' and the arrival time of the first attending pump (in seconds) can be found in column AD, 'FirstPumpArriving_AttendanceTime'.

In addition, we publish further mobilisation records via the [London Datastore](#), which can be accessed here: <https://data.london.gov.uk/dataset/london-fire-brigade-mobilisation-records>. If you download the excel spreadsheets, you can filter to the data recorded for specific wards in the Islington area using column C, 'BoroughName' and D, 'WardName'.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
