

Freedom of Information request reference number: 8847.1

Date of response: 29/07/2024

Request:

Can you inform me how many fires the LFB attended where a Sukkot structure caught alight during the festival period last year, which was Fri, Sep 29, 2023 - the evening of Fri, Oct 6, 2023, and 2022.

Response:

We have searched our incident records for the terms 'sukkah' and 'Sukkot' between the time periods requested. Unfortunately, these terms were not used in any incidents, so we are therefore unable to confirm how many fires the LFB attended where a Sukkot structure caught alight.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us>
