

**Freedom of Information request reference number:** 7627.1

**Date of response:** 19 July 2023

**Request:**

*Under the Freedom of Information Act 2000 please can I request information about:  
How many animals/pets the London Fire Brigade fire service has rescued in the last five years.  
Please can you include a breakdown of the figures for each year of the last five years, starting  
from Jan 2018 to date.*

*Can you detail (where possible):*

*What the animal was*

*What date the animal was stuck*

*Where it was stuck*

*How long it was stuck for*

*How long it took for you to save the animal and how you did it*

*How many crew members were involved?*

**Response:**

The information you have requested is published online on the [London Datastore](#).

We publish data regarding animal rescue incidents attended by the LFB. This information can be accessed here: <https://data.london.gov.uk/dataset/animal-rescue-incident-attended-by-lfb>

I hope you find this information of use.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#)
