

Freedom of Information request reference number: 8677.1

Date of response: 24/05/2024

Request:

I have recently noticed that Fire officers have been using different shaped rooftop emergency lights. As of 2024, what is the name/brand of the Blue lights used by fire officers?

Response:

Our FLEET team have confirmed that it is a **Redtronic Tornado Microbar**, in magnetic or suction mounting.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us>
