Freedom of Information request reference number: 8160.1

Date of response: 08 December 2023

Request:

Please could we request information relating to any reports of lift entrapments in the last 12 months at the following address: The Horizon Building, 15 Hertsmere Road, London, E14 4AW.

Response:

In response, as we routinely get asked for information about the number of lift entrapments attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it.

The data is provided for three calendar years (36 months) and is updated monthly. If you are looking for a particular building/address and this does not appear in the list, you can assume that the Brigade has not attended a 'shut in lift' (lift entrapment) release incident at the address.

The information is accessible via the following link:

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
