Freedom of Information request reference number: FOIA 8567.1

Date of response: 18TH April 2024

Request:

I'm getting in touch to find out if it is possible to get the following information below please: How many fires caused by lithium batteries on E-bikes or E-Scooters has your fire brigade been called to? How many people have been injured at a fire caused by lithium batteries on E-bikes or E-Scooters. How many accidental deaths have been caused by fires caused by lithium batteries attended to by your fire brigade? Are you able to provide the information above between the years 2020 and 2024.

Response:

In response, as we routinely get asked for information about the number of e-bike, e-scooter, electric vehicle and other lithium battery fires attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it

The data is provided for three calendar years (36 months) and is updated monthly.

The information is accessible via the following link:

<https://www.london-fire.gov.uk/safety/lithium-batteries/charging-electric-bike-and-electric-scooter-lithium-batteries/>

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
