

Freedom of Information request reference number: 8590.2

Date of response: 10/06/2024

Request:

Freedom of Information request - Tenure of Borough Commanders

I will refine my request to ask for the information between January 2009 and December 2019. If costs are exceeded I request information between January 2009 and December 2016. If costs are exceeded (which I believe is unlikely, as you may be aware these information are only appointment dates), I request information between January 2009 and December 2015. Please in general inform me of the amount of information that can be extracted within your stated cost limit.

Response:

Thank you for your further request about the tenure of LFB Borough Commanders. Your initial request was turned down on the basis that it would take an unreasonable amount of time to respond to your request. That was because the details of when individual staff were appointed to the function of "Borough Commander" is held on individual personnel files.

Borough Commander is not a rank held by staff, but is a function carried out by some operational staff who are at Group Commander (formally Group Manager) rank. We keep database records for promotion to rank, but not for when people are assigned to the 'Borough Commander' function.

We have looked again at your request and are hopeful that the information provided in the attached spreadsheet will provide you with information that meets your needs.

Borough Commander is a function carried out by (some) Group Commanders. The attached table shows which Group Commanders were posted to Borough teams since 2003. In all likelihood those Group Commanders will have been the Borough Commander (and a check of a sample suggests in most cases that will be true). The table has the name of the Group Command, which Borough team they were attached to, the year, the last date in that year when they were still attached, and the number of days attached.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website:
