Freedom of Information request reference number: 8008.1

Date of response: 03 November 2023

Request:

How many times have the LFB been called out to persons trapped in lifts in Ferry Quays complex, Brentford High Street, TW8 0AS and adjoining post code. In the last six months.

Response:

In response, as we routinely get asked for information about the number of lift entrapments attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it.

The data is provided for three calendar years (36 months) and is updated monthly. If you are looking for a particular building/address and this does not appear in the list, you can assume that the Brigade has not attended a 'shut in lift' (lift entrapment) release incident at the address.

The information is accessible via the following link:

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
