

Freedom of Information request reference number: 7671.1

Date of response: 31 July 2023

Request:

Please can you provide information on commercial kitchen fires you attended where any installed fire suppression system was in place but failed to function.

Please provide information for quantity of such incidents for past three years, by premises type, and installed fire system brand manufacturer.

Response:

Please see the below table showing the number of Kitchen fires in non-residential Properties. From 2020 to 2023 and where active safety systems were present.

Unfortunately, we cannot see if the safety systems failed or the brand manufacture.
