Freedom of Information request reference number: 8253.1

Date of response: 30th January 2024

Request:

*Q1) Between January 1st 2023 - December 31st 2023, how many fires were suspected of being **caused** by faulty e-bike or e-scooter batteries by your fire service?*

*Q2) How many **injuries** occurred as a result of these fires?*

*Q3) How many **deaths** occurred as a result from these fires?*

Response:

In response, as we routinely get asked for information about the number of E-bike or e-scooter fires attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it.

The data is provided for three calendar years (36 months) and is updated monthly.

The information is accessible via the following link:

<https://www.london-fire.gov.uk/safety/lithium-batteries/charging-electric-bike-and-electric-scooter-lithium-batteries/>

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
