Freedom of Information request reference number: 8606.1

Date of response: 29 April 24, 2024

Request:

Please can you tell me how many call outs you have had in each of the following addresses due to people trapped in lifts in 2020, 2021, 2022, 2023 and so far to date in 2024.

Martin House, Wyvil Rd, London SW8 2SZ
Norman house, Wyvil Rd, London SW8 2TA,
Oliver House Wyvil Rd, London SW8 2SX
Peter House, Wyvil Rd, London SW8 2SY,

Please can you show the call outs for each address each year.

Response:

In response, as we routinely get asked for information about the number of lift entrapments attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it.

The data is provided for three calendar years (36 months) and is updated monthly. If you are looking for a particular building/address and this does not appear in the list, you can assume that the Brigade has not attended a 'shut in lift' (lift entrapment) release incident at the address.

The information is accessible via the following link:

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
