**Freedom of Information request reference number:** 8267.1

**Date of response:** 29 January 2024

**Request:**

*Follow up to FOIA 8256.1: Can the LFB please list the number of hotels across London that have been deemed to have inadequate fire safety standards: [https://www.london-fire.gov.uk/media/8725/82561\\_response.pdf](https://www.london-fire.gov.uk/media/8725/82561_response.pdf)*

*Is there a way to find out the names of each individual venue?*

**Response:**

The LFB publish a 'Regulatory fire safety Inspections and audits' dataset which provides a list of fire safety inspections and visits carried out by the LFB's Inspecting Officers in the last five years. This information can be accessed via the following link to the [London Datastore](#):

<https://data.london.gov.uk/dataset/regulatory-fire-safety-inspections>

If you download the '[Fire Safety Audits and Inspections](#)' spreadsheet, you can filter to "hotel" using column H, 'Property Use' and select by the type of notice issued using column E, "Reason for Visit or Outcome".

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
