Freedom of Information request reference number: FOIA 8533.1

Date of response: 28th March 2024

Request:

I am writing this email to request figures on the number of fires which occurred in a domestic premise caused by Only E-bikes and E-Scooters over the last five years, as well as the data regarding if any members of the public who have sustain any sort of injury as a result of this.

Response:

In response, as we routinely get asked for information about the number of e-bike, e-scooter, electric vehicle and other lithium battery fires attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it

The data is provided for three calendar years (36 months) and is updated monthly.

The information is accessible via the following link:

<https://www.london-fire.gov.uk/safety/lithium-batteries/charging-electric-bike-and-electric-scooter-lithium-batteries/>

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
