

Freedom of Information request reference number: 8905.1

Date of response: 20 August 2024

Request:

Now that Ballymore / TfL have submitted their application to the Barnet Council, can you provide the full pre application advice the London Fire Brigade provided to Ballymore / TfL regarding Edgware development?

Response:

Please see the response under [FOIA 8876.1](#). The pre application advice forms part of the ongoing discussions.

We are currently reviewing the planning application and will be submitting a formal consultation response to this application. Once we have a formal response it will be published on the planning portal.

Should you have any further questions please do let me know.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#).
