

Freedom of Information request reference number: 7554.1

Date of response: 28 June 2023

Request:

What was the cost incurred by LFB in attending the Barons Court station incident 22nd-23rd January 2023

i) of LFB resources

ii) of any external resources engaged by LFB

Response:

I have checked the records for incidents at Barons Court on 22nd -23rd January 2023. I have identified 2 incidents that we attended on those dates.

The incident on the 22 January 2023 was classified as a Special Services incident – assistance in removing a person from a train roof. This was recorded as incident number 010640-22012023.

On the 23 January 2023 we attended a secondary fire in the shrub land nearby. The incident number for this is 11004-23012023.

The information you have requested is published online on the [London Datastore](#). It can be found here [London Fire Brigade Incident Records](#) You can find the cost associated with our attendance for every incident under column 'AL ' 'Notional Cost'

I have extracted the information for the 2 incidents identified above on page 2.

No external resources were engaged by London Fire Brigade. For incident 010640-22012023 The London Ambulance Service and British Transport Police we also in attendance.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#)
