

**Freedom of Information request reference number: FOIA 9184.1**

**Date of response: 11<sup>th</sup> November 2024**

**Request:**

Appliance replacements, water, and Paddington call outs

I would like to make a freedom of information request and request the following information:

1. When will the service replace the operational support units and hose layers- will it be between March 2025 and September 2025.
2. How much water can the hose reels produce a minute?
3. How much water can the jets (45mm and 70mm) produce a minute?
4. How many occasions did all 4 of Paddington's appliances (known as a full house) get called out at the same time to the same incident for the years 2022 and 2023 (January to December). Please provide date/time, incident type (fire, special service, false alarm), incident sub-type (high-rise fire, rescue from height for example), road name or station ground (such as Soho, Euston, Chelsea, Tottenham) and duration crews were at incident in minutes.

**Response:**

1. When will the service replace the operational support units and hose layers- will it be between March 2025 and September 2025. - **The replacement programme for both of these vehicles is underway. The replacements will not be in 2025, they are expected to be completed and vehicles on the run in the 2026/2027 financial year.**
2. How much water can the hose reels produce a minute? - **Maximum of 230 liters / minute at 6 BAR per hose reel.** - <https://www.london-fire.gov.uk/about-us/services-and-facilities/vehicles-and-equipment/aerial-appliances/>
3. How much water can the jets (45mm and 70mm) produce a minute? - **Hose doesn't produce water, 45 and 70mm hose could have an infinite capacity depending on the source.** - <https://www.london-fire.gov.uk/about-us/services-and-facilities/vehicles-and-equipment/hose/>
4. How many occasions did all 4 of Paddington's appliances (known as a full house) get called out at the same time to the same incident for the years 2022 and 2023 (January to December). Please provide date/time, incident type (fire, special service, false alarm), incident sub-type (high-rise fire, rescue from height for example), road name or station ground (such as Soho, Euston, Chelsea, Tottenham) and duration crews were at incident in minutes. – **Please see the table below.**

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request [on our website](#)
