Freedom of Information request reference number: 7668.1

Date of response: 27 July 2023

Request:

As per my records, Infor Ltd Finance contract has expired. I would like to know whether this contract is still valid or replaced by any other supplier.

If all the information besides the contract dates are the same, I am happy to just receive an update on the contract dates.

Response:

To locate this information, I would like to direct you to the [London Datastore](#) website which publishes information the Brigade routinely makes available to the public.

The Local Government Transparency Code 2015 requires the publication of the details of every contract, commissioned activity (including external consultants), purchase order, framework agreement and any other legally enforceable agreement with a value that exceeds £5,000. The London Fire Commissioner scheme of governance provides for tenders for purchases of £10,000 or more in value.

The LFB current contracts list is updated quarterly and can be accessed via the following link:
