

Freedom of Information request reference number: 8933.1

Date of response: 03/09/2024

Request:

Could you please provide me with the risk assessments for events run by or on behalf of the London Fire Brigade that meet the following description:

- *Occurred outdoor, mostly outdoor or between semi-permanent structures (like tents or similar).*
- *Occurred in the UK.*
- *Had 1000 or more people in attendance or were expected to.*
- *Occurred in 2023.*

Response:

We have not planned or delivered any LFB events in 2023 that meet the description in your request and therefore do not hold any risk assessments for this.

I am also not aware of any other LFB teams delivering such an event.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website:
