

**Freedom of Information request reference number:** 8620.2

**Date of response:** 30/07/2024

**Request:**

On the 15th of April I made a data request about wildfires. Your FRS provided with me with data which was much appreciated. I would like to submit a follow up data request based on information that I felt was missing to answer the questions I have.

1. I would like to receive information on which definition of the term 'wildfire' is used by your FRS when selecting wildfire events.
2. I would like to receive data on general outdoor vegetation fires during July 2022 including:
  - a. The number of incidents
  - b. Locations in coordinates (if possible)
  - c. Indication of the damaged area (square meters or hectares)
  - d. Number of calls received per incident
3. I would like to receive a general overview of the total of number of incidents reported in July 2022 per category of incident type.

**Response:**

Please see below for a response to your request.

*1. I would like to receive information on which definition of the term 'wildfire' is used by your FRS when selecting wildfire events.*

The criteria LFB uses for wildfire is a fire that has an outdoor damage area of least one hectare (10,000 square metres), is attended by at least four fire and rescue service appliances and requires resources to be committed for at least six hours.

*2. I would like to receive data on general outdoor vegetation fires during July 2022 including:*

- a. The number of incidents*
- b. Locations in coordinates (if possible)*
- c. Indication of the damaged area (square meters or hectares)*
- d. Number of calls received per incident*

*3. I would like to receive a general overview of the total of number of incidents reported in July 2022 per category of incident type.*

Questions 2 and 3 are answered in the tables below.

Question 2a:

Count of Incident Number	Calendar Year	
Property Type	Jul-22	Grand Total
Grassland, pasture, grazing etc	162	162
Roadside vegetation	45	45
Woodland/forest - broadleaf/hardwood	18	18
Woodland/forest - conifers/softwood	26	26
<b>Grand Total</b>	<b>251</b>	<b>251</b>

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website:
