

Freedom of Information request reference number: FOIA 9202.1

Date of response: 19th November 2024

Request:

Lakanal House cladding certification

1. Any certification or product literature held by Southwark Council or the London Fire Brigade relating to the Trespa panels installed on Lakanal House during the 2006/7 refurbishment of the building. These documents were likely to have been gathered during investigations into the 2009 fire and may be retained within the investigation files.

Response:

The literature on the Trespa Panels can be found on the Grenfell Tower website that holds information relating to Lakanal House.

Please see the link below on Lakanal house/Trepsa Panels.
